

Verein für Schweizer Sennenhunde in Österreich VSSÖ

Dear Swiss mountain dogs friends from all over the world !

Take your time to spend wonderful days with your mountain dogs and like-minded people in our beautiful mountain world of Upper Austria.

We cordially invite you to the **VSSOe CAC Club Specialty on 4 May 2024** and to the **VSSOe CAC "Siegerschau" on 5 May 2024** in Spital am Pyhrn.

We are looking forward to the renowned judges **Mrs. Regula Bürgi** from Switzerland and **Mrs. Petra Schultheiß** from Germany, and to a reunion and a pleasant get-together with familiar and new faces.

After these shows enjoy a few days in the Austrian mountains and then come to Schöneben on 11 and 12 May 2024 to celebrate with us and **Dr. Wolfgang Zörner the anniversary event "40 years Wiesmadern"**.

In honor of Dr.Zörner's 40 years of activities in dog sports, his commitment to rescue dogs and his 32 years of activities as a Bernese Mountain Dog breeder, both exhibitors and dog sportsmen will be fully satisfied with this weekend.

Have a wonderful show and tournament weekend for all 4 Swiss mountain dog breeds! You will get an extra rating if you participate in both dog sports and shows.

For our grey dogs from the veteran class there is also the opportunity to participate in an Age Freshness competition (Altersfrische Wettbewerb). Here fitness and visual impression count above all, FCI-excluding defects and faults are not taken into account. Even castrated male dogs may be shown in this competition.

Our show judges are **Dr. Norbert Bachmann** from Germany and **Mrs. Andrea Maret** from Switzerland.

We have invited **Mr. Hannes Hilpolt** and **Mrs. Karin Hüppe** to judge the dog-sport events.

We are looking forward to welcoming you all on behalf of the VSSOe on both weekends !
